Objective

A HR specialized fresher intends to build a career in a leading corporate which is well active promoting CSR activities to protect its organizational environment as well as its surrounding natural environment and having committed & dedicated to people working in the premises as well as its surrounding area which will help me to explore myself fully and realize my potential to make everyone aware about the importance of creating such a workplace that cares about itself as well as others those live near them. I can get adapted to any kind of environment immediately and I am also a quick learner. I am a good researcher always in search of learning new things particularly with a great knowledge in BIOLOGY, HRD, BUSINESS ETHICS and ENVIRONMENT SCIENCE.
