### About Me

Dedicated to every work given to me. Worked with an organisation with 5 months of manual testing experience with domain knowledge of insurance, banking and loans. Eagerness to learn everything and get the experience of all kinds of work. Very much communicative and supportive in any situation. Confident to show my knowledge and ready to grab from others. Always ready to work with new challenges. Worked with (LIFE ASIA TOOL) and JIRA tool. Love to work with an organisation where I can help to grow the company as well as my self. God gave me the first chance, now I want to take the next step.
